Rules:

1. Cross-institution registration is not allowed.
2. Each team must consist of exactly 4 members.
3. All team members must be current undergraduate students at that respective university. Every participant needs to have a valid ID Card for proof.
4. Each participant/team can submit a flag up to 10 times. After 10 submissions, no further flags can be submitted for that challenge.
5. Sharing challenges, flags, solutions, or hints between participants or teams is strictly prohibited.
6. Do not attack or exploit the CTF competition infrastructure.
7. The scoreboard will be frozen during the last hour.
8. There will be a preliminary and on-site round. Only selected participants will be invited for the on-site final round.
9. The organizers' decision is final in all matters related to the competition.
